## DEADLY ALLIANCE

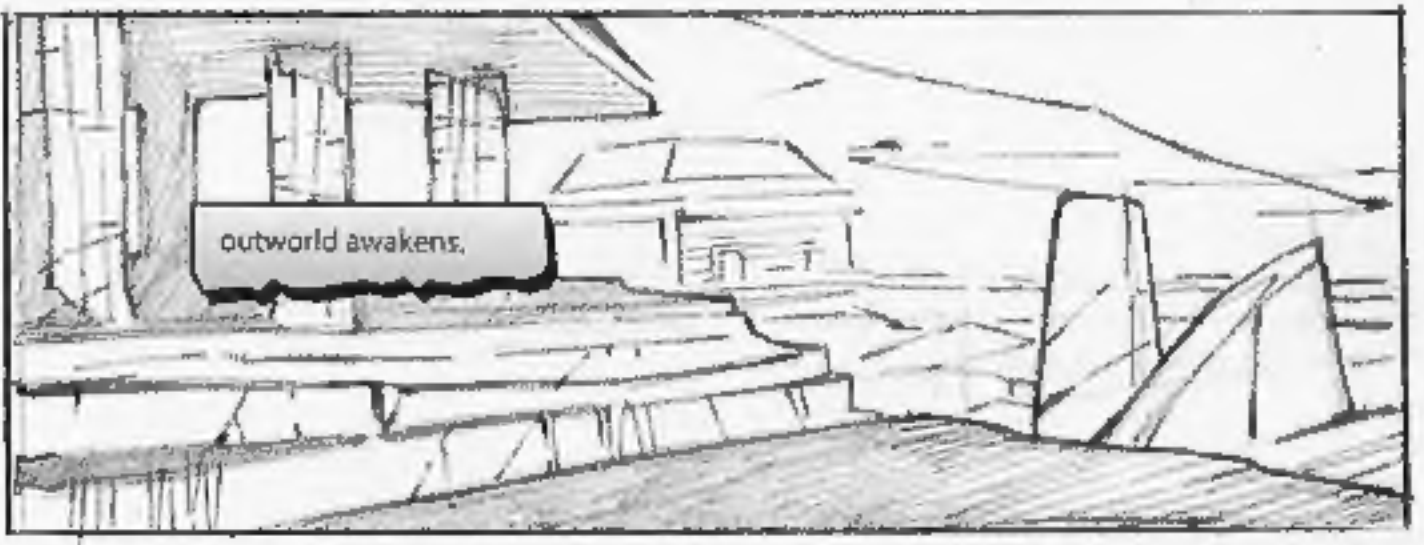

SUB-ZERO

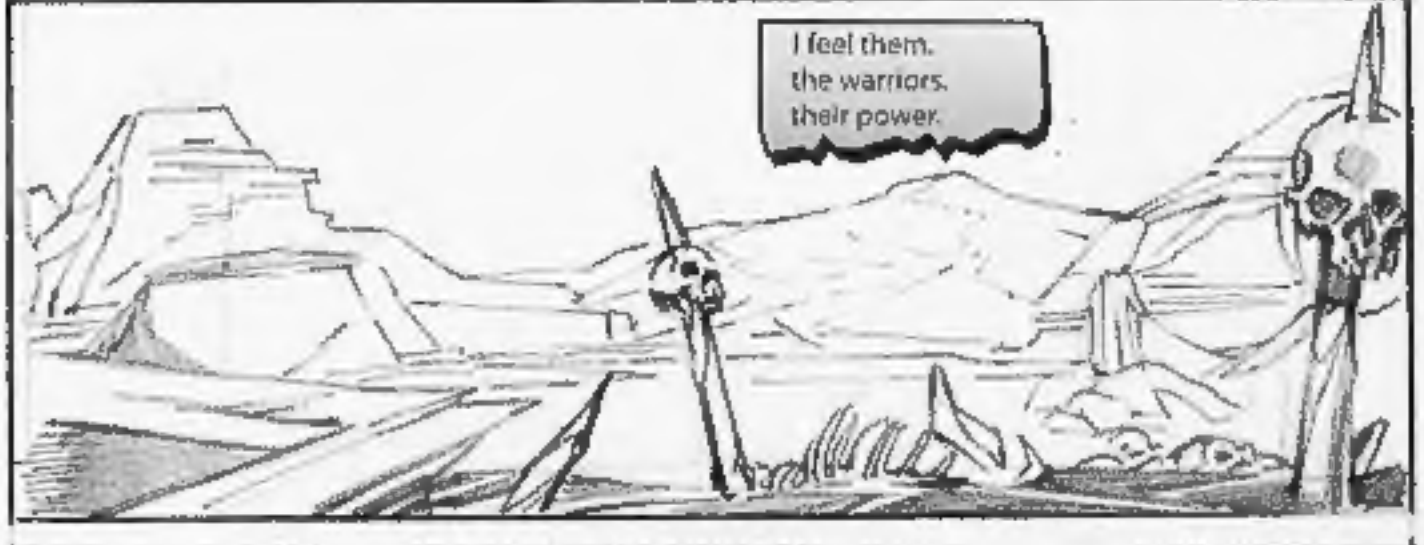

yes, it is time  
again for cruelty.

outworld awakens.

I feel them.  
the warriors.  
their power.

all have a  
role to play.

some are freed...

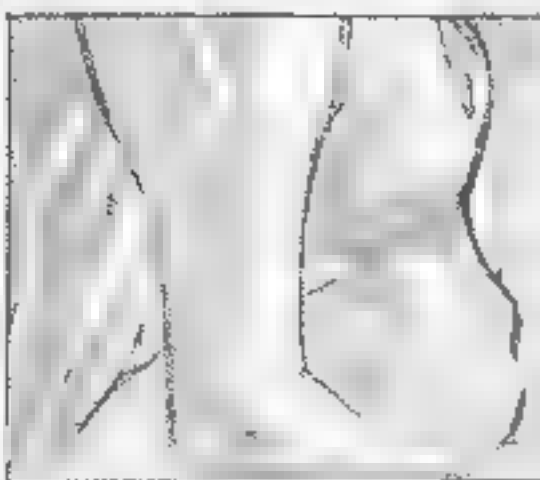

so they may  
enslave others.

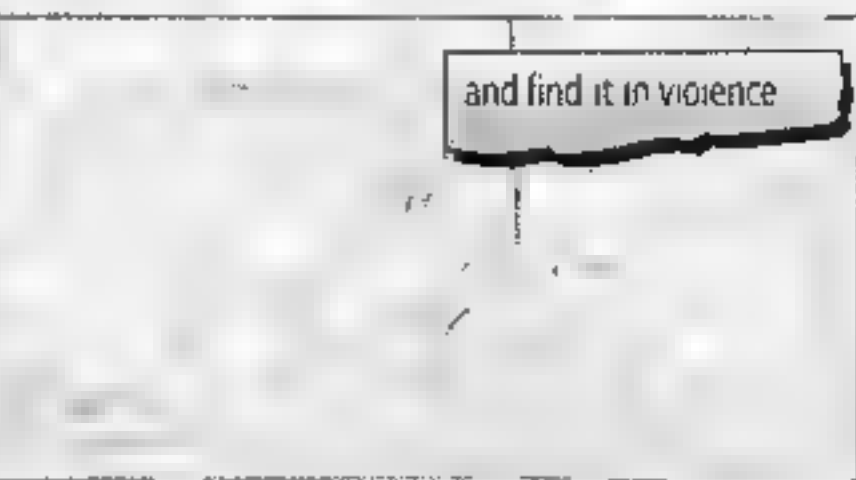

some seek peace..

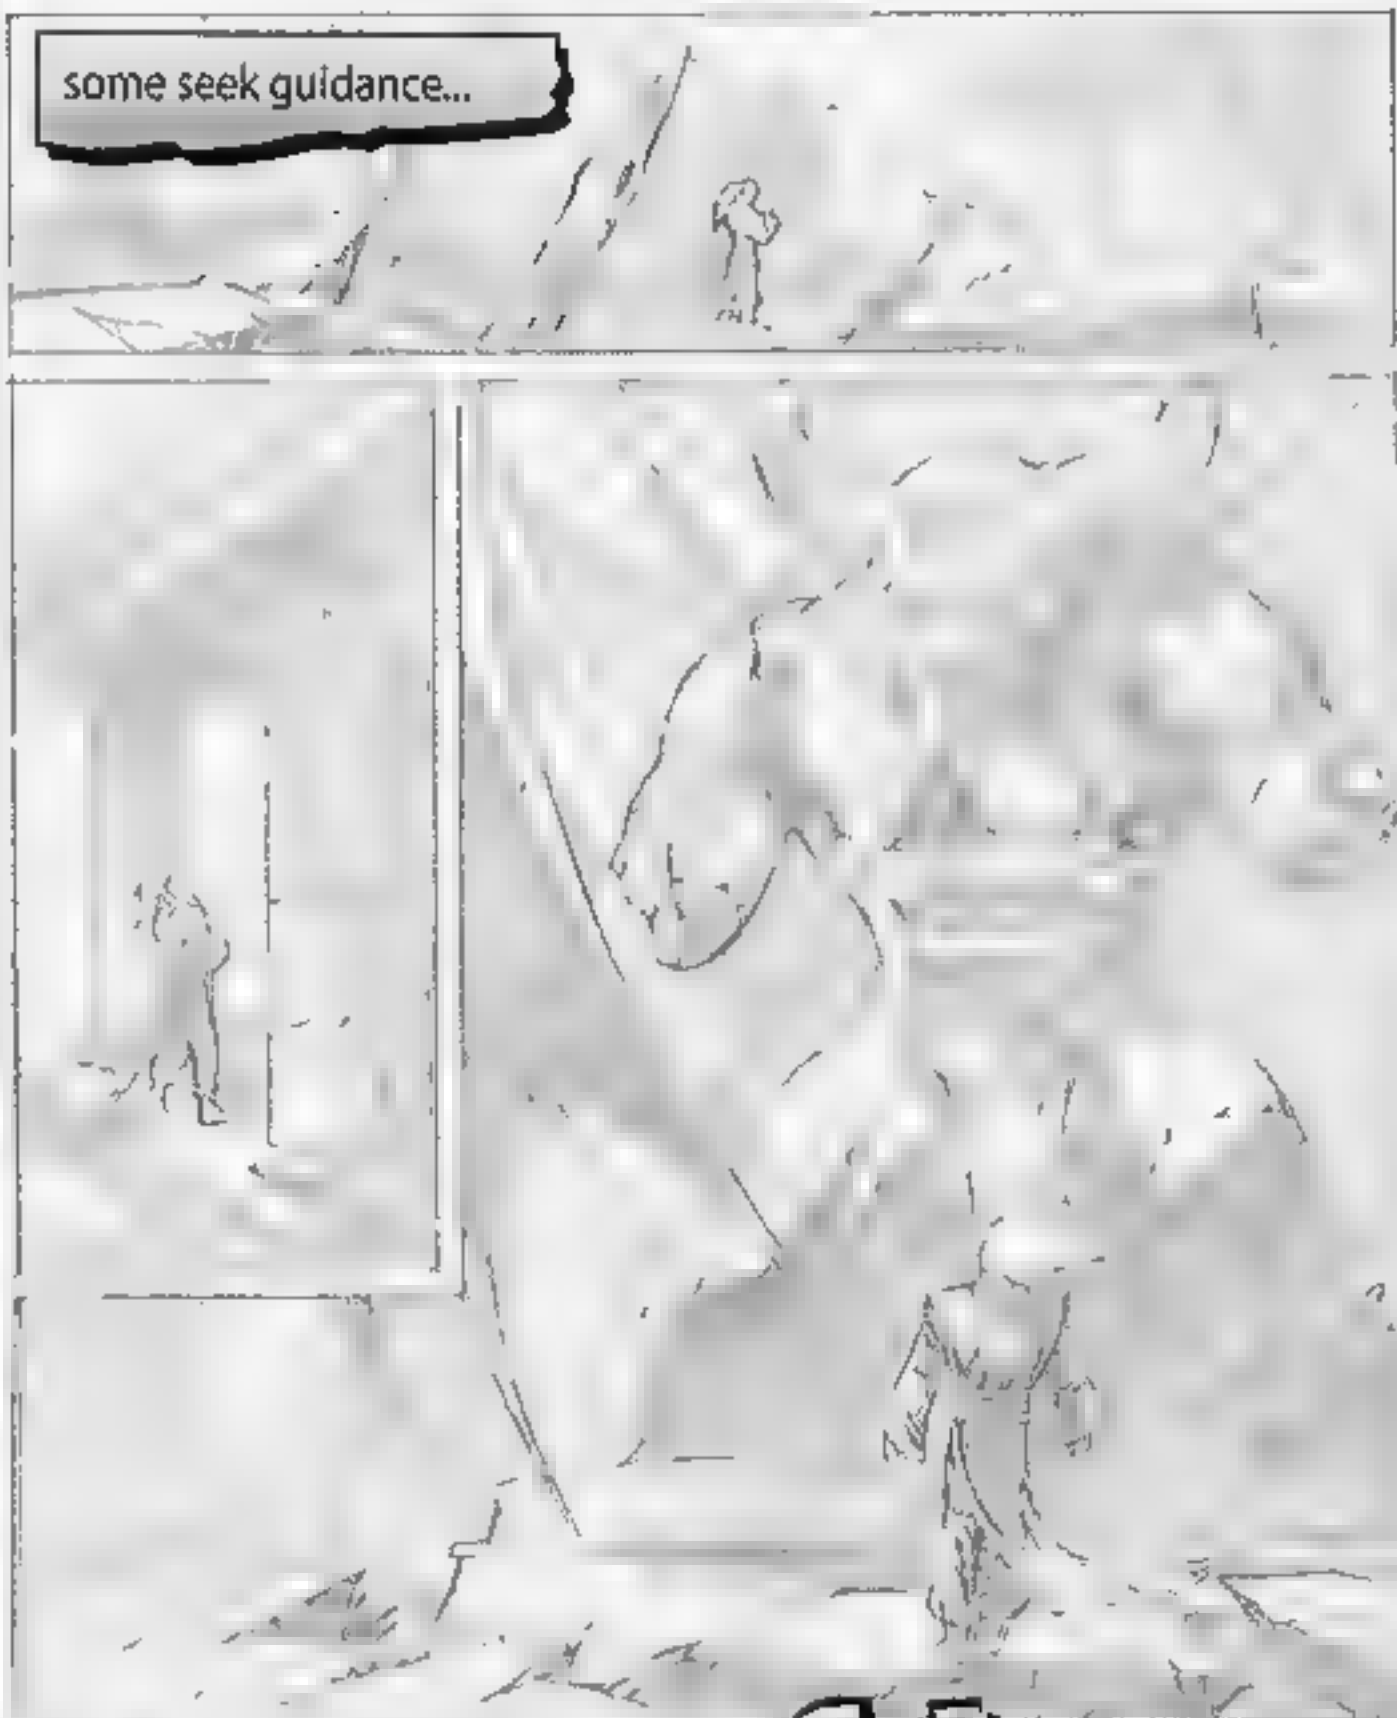

and find it in violence

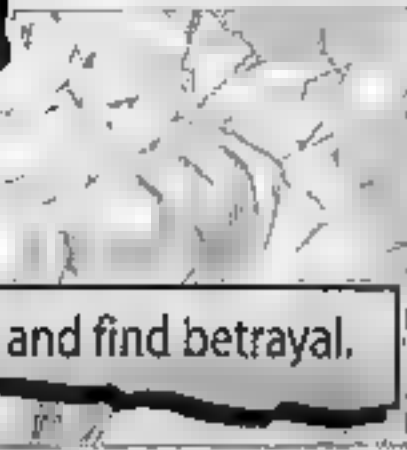

some seek guidance...

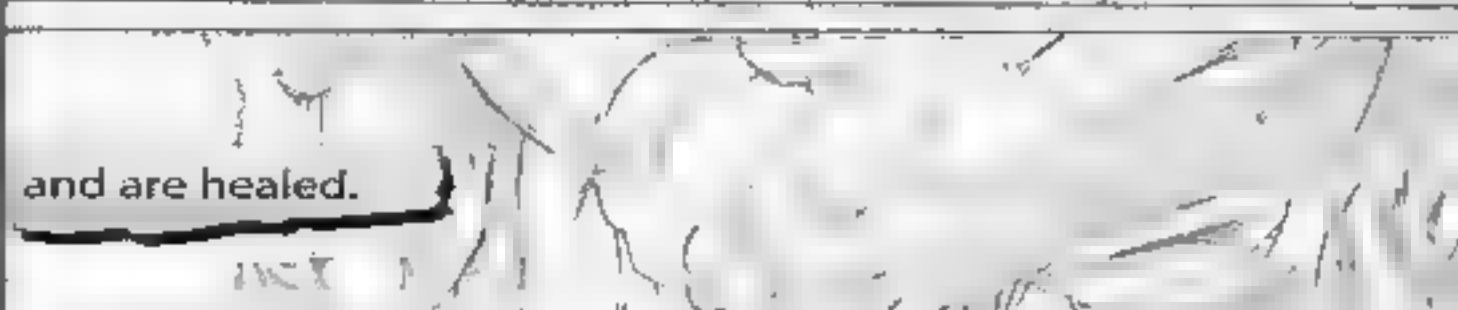

**CRASH!**

and find betrayal.

warriors die,

by each other.

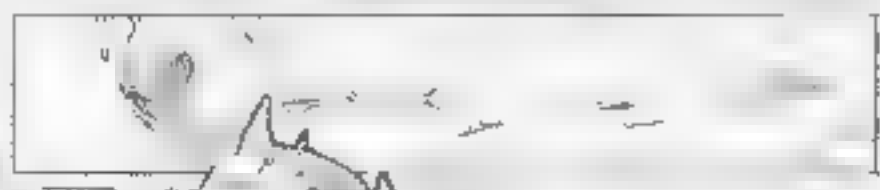

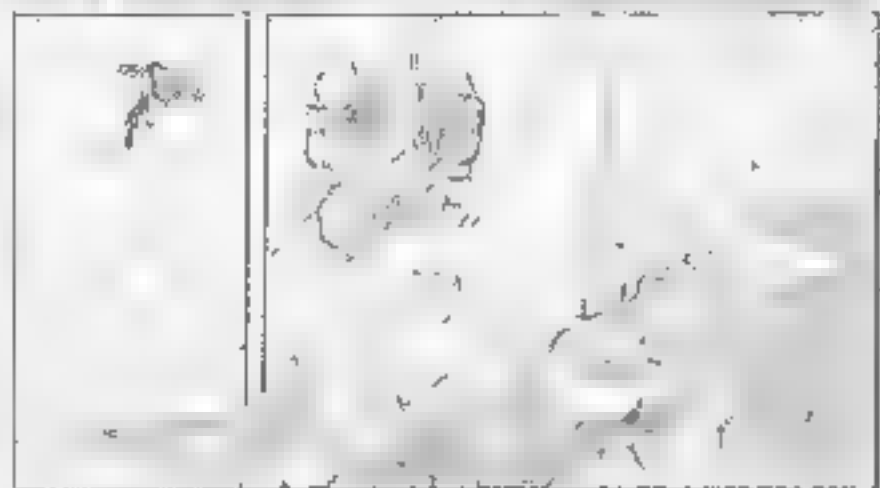

steel begs for flesh.

to be cleansed  
in blood.

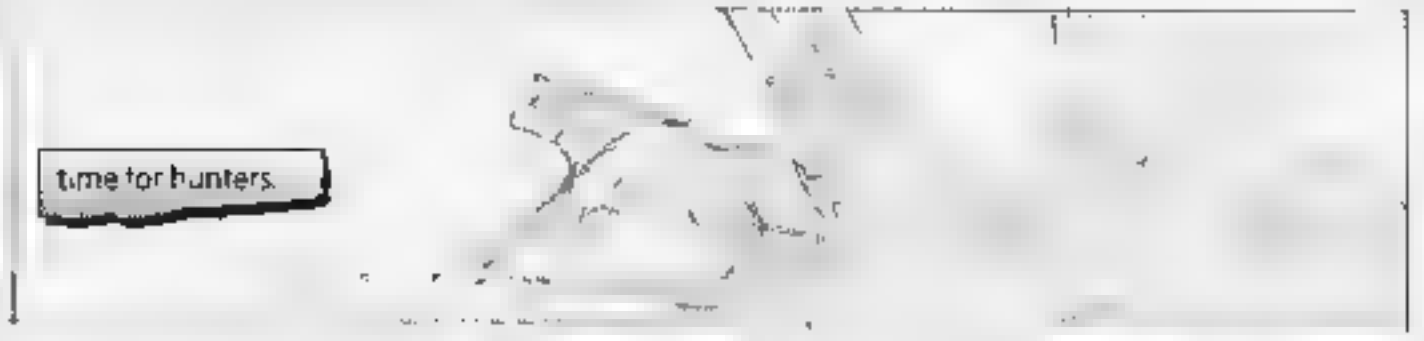

by the hands  
of a master

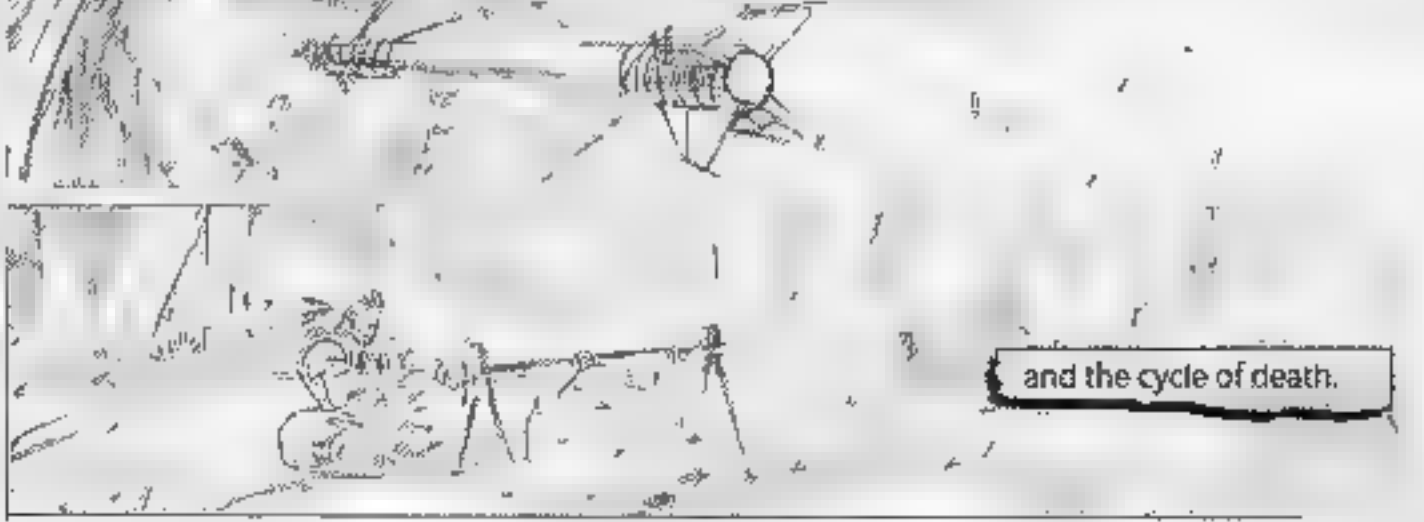

yes, it's time  
again for cruelty

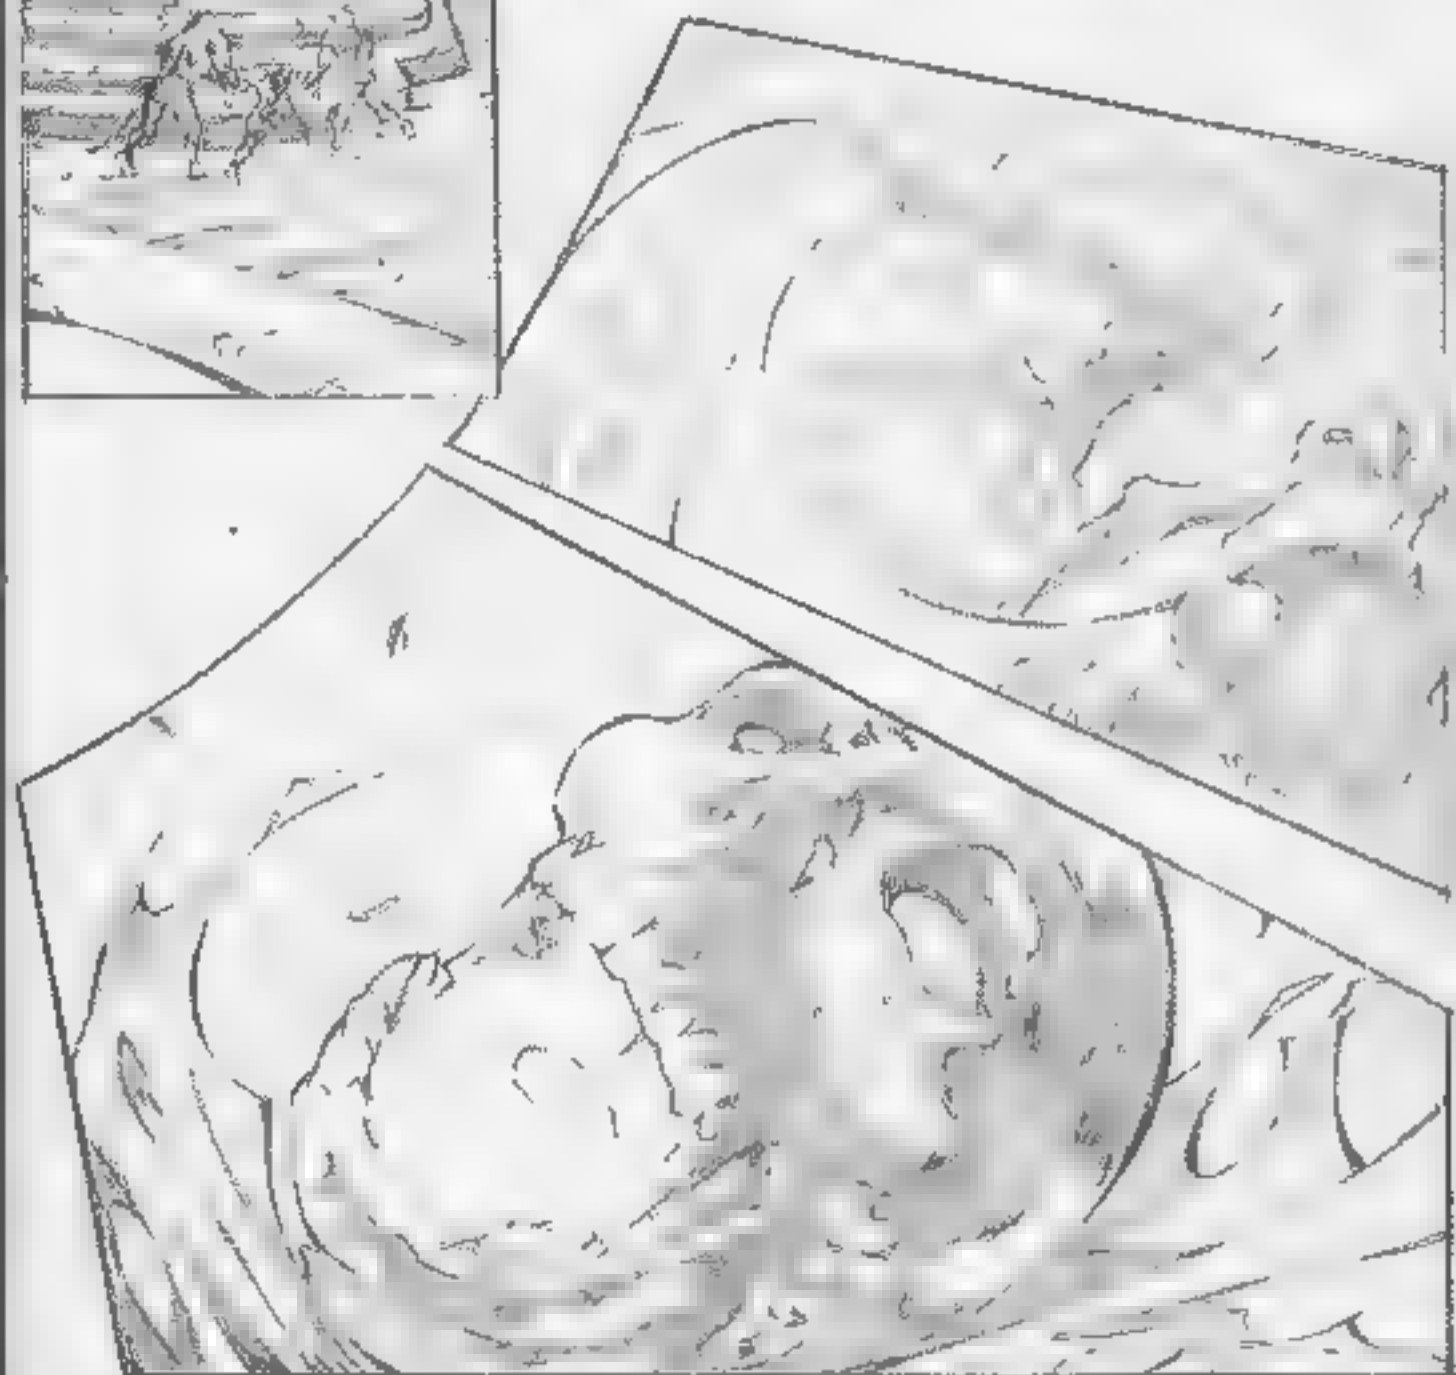

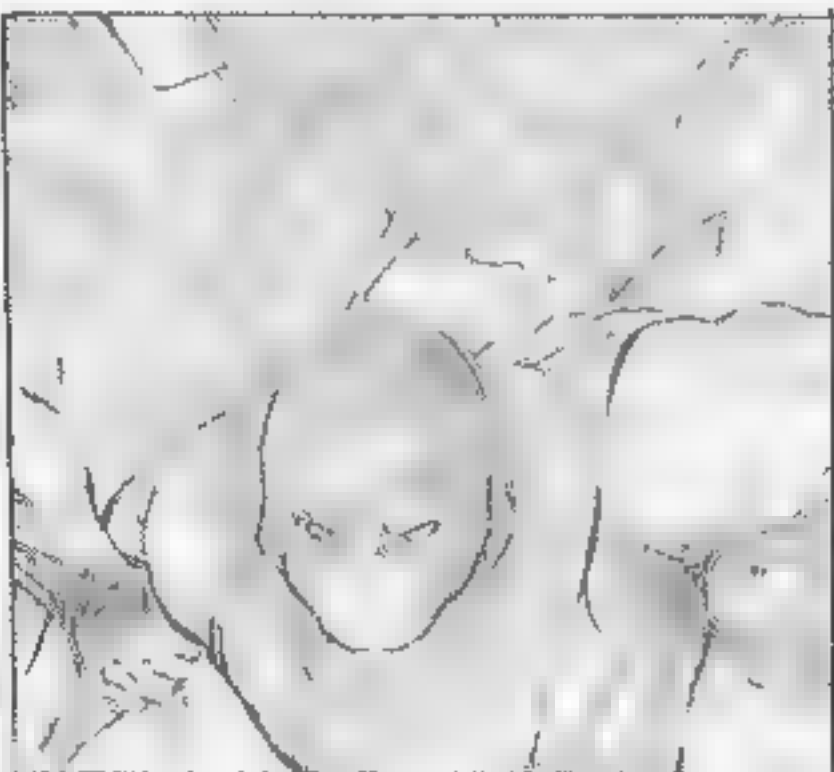

time for hunters.

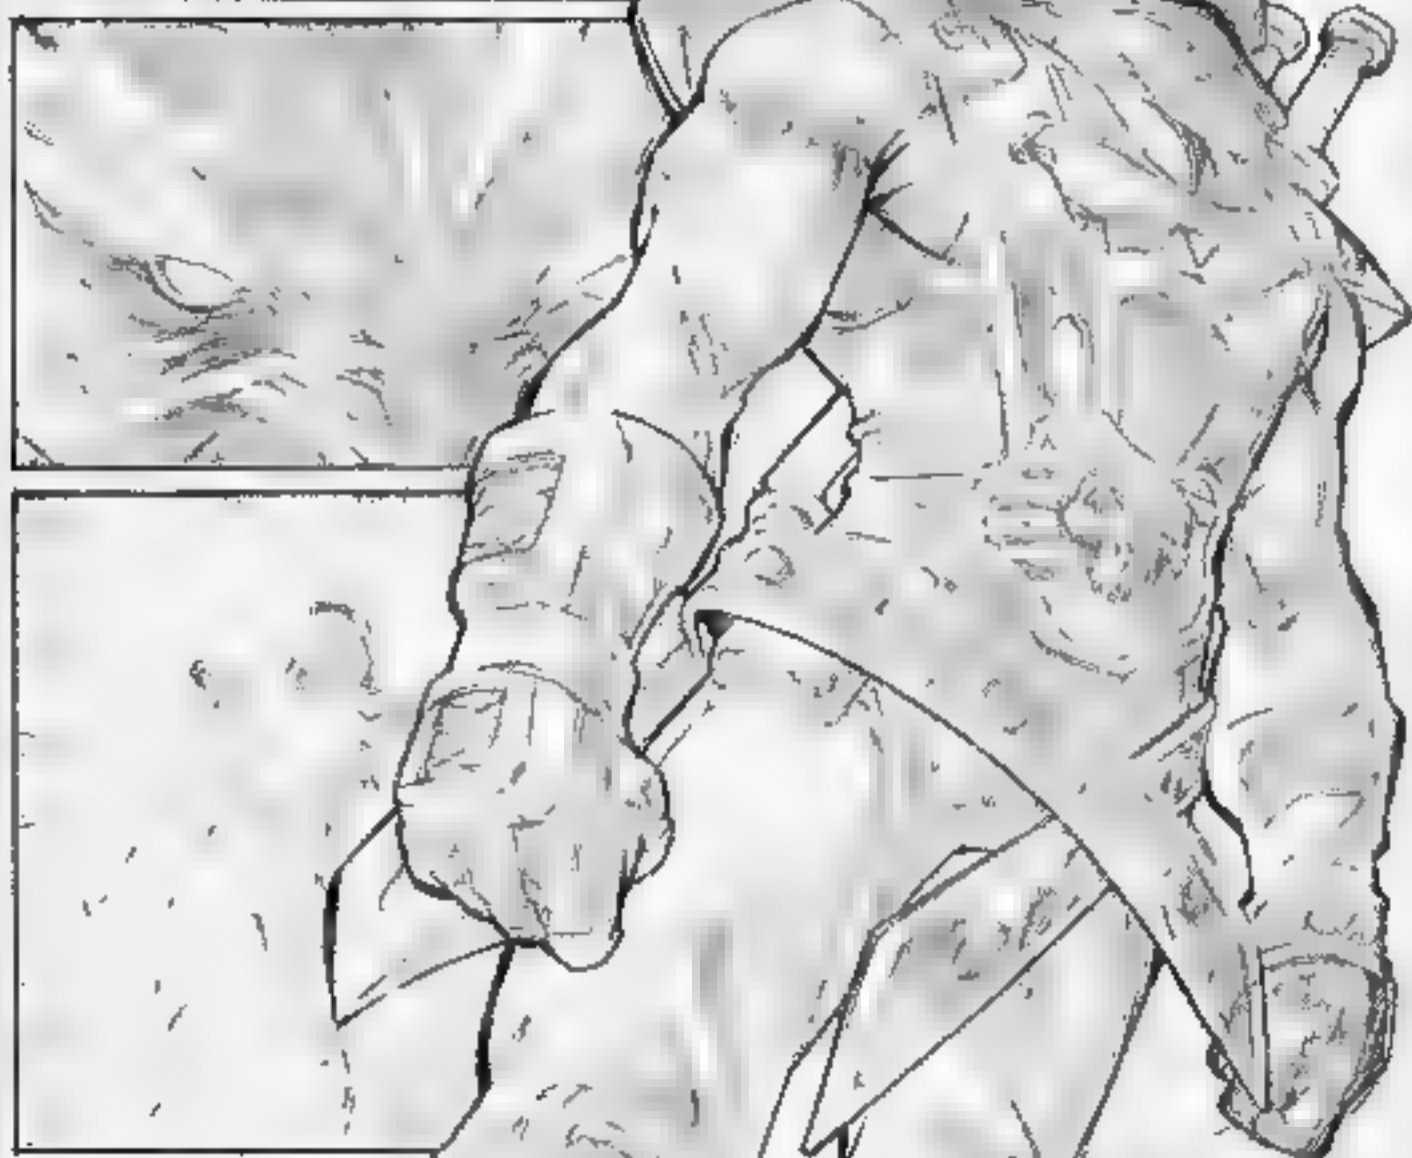

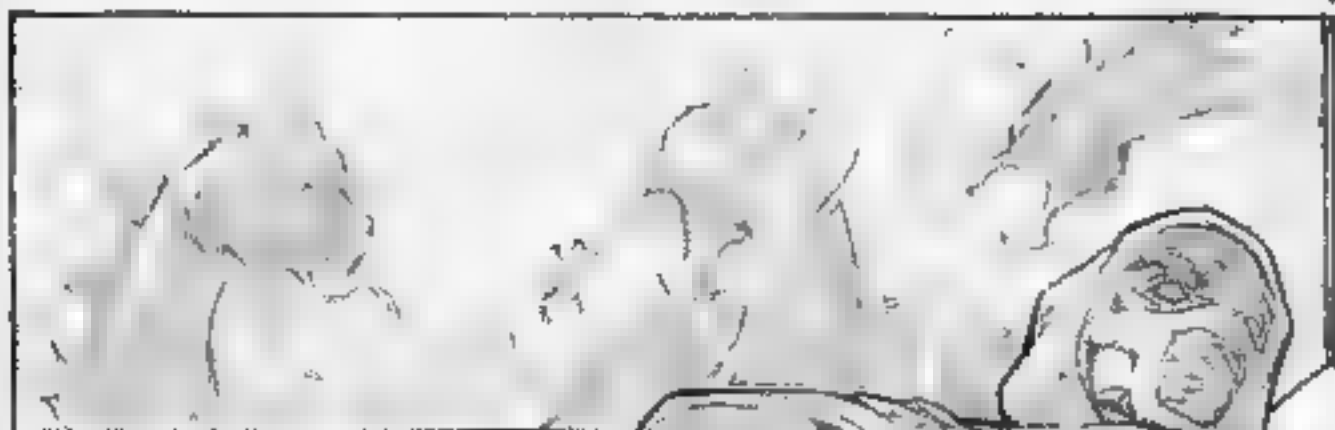

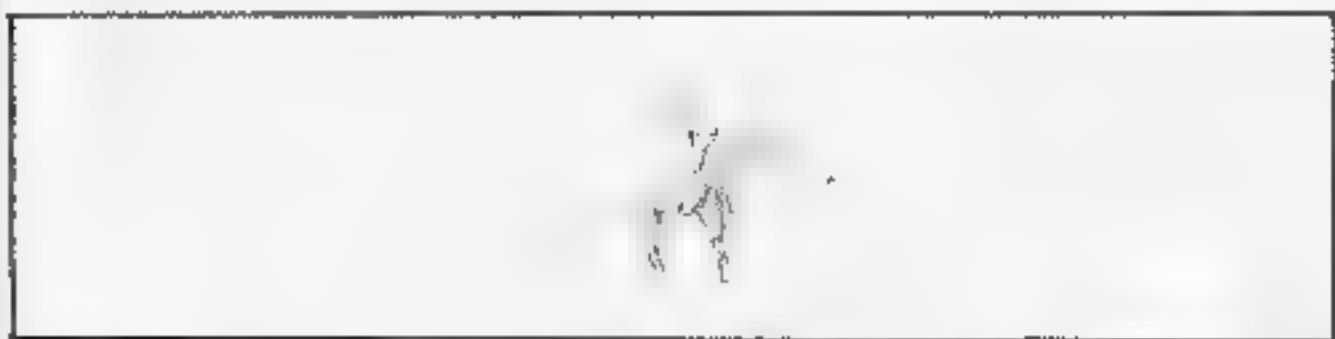

and the cycle of death.

rebirth.

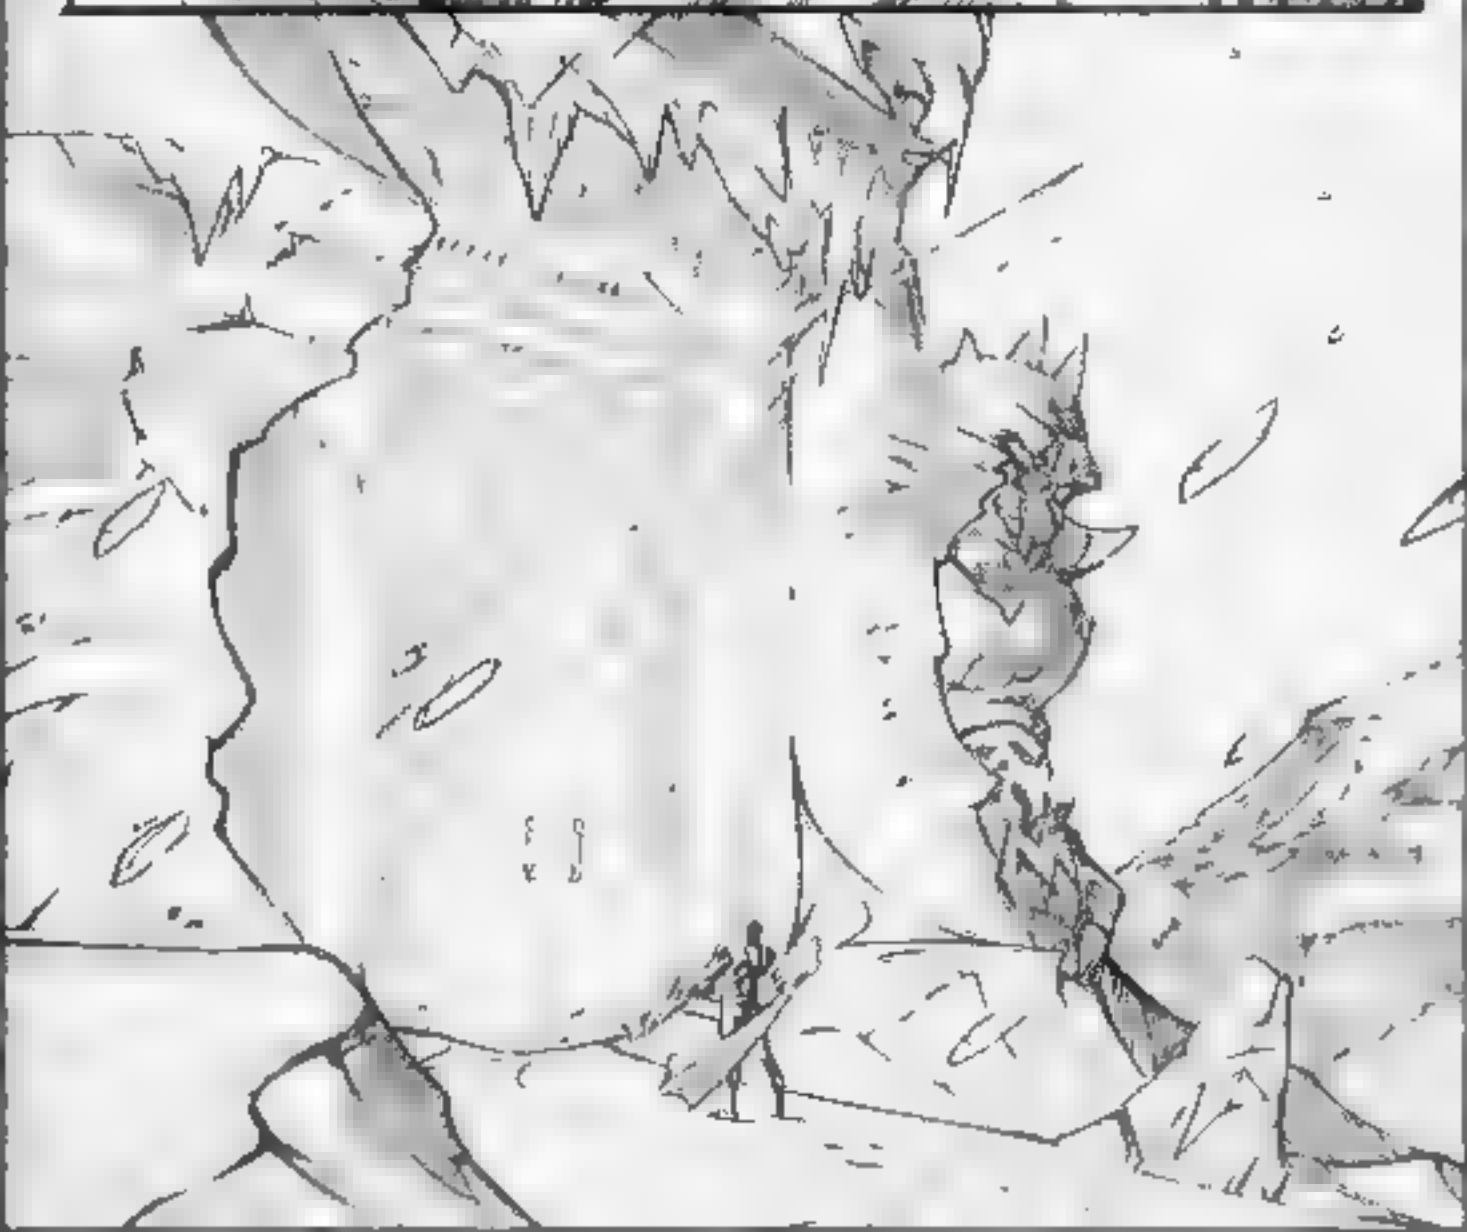

purpose.

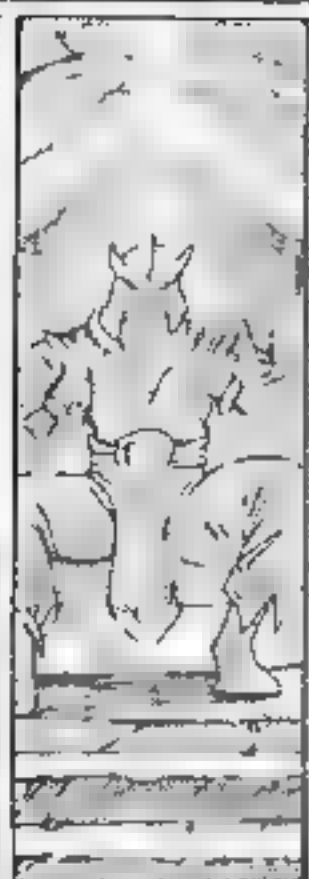

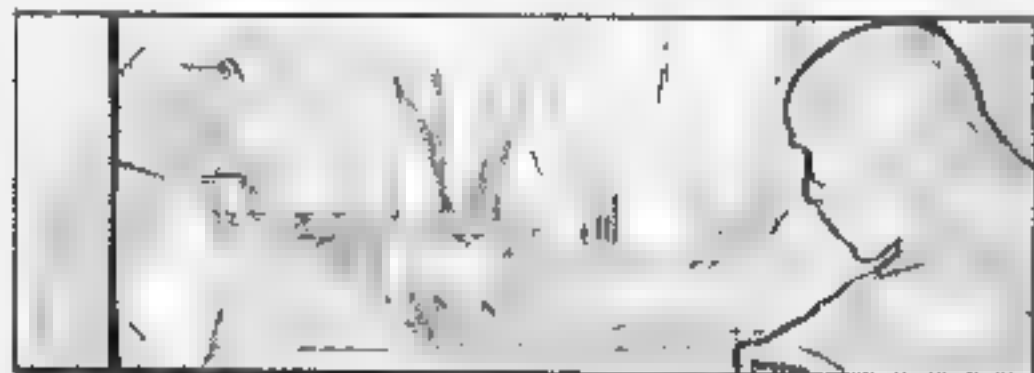

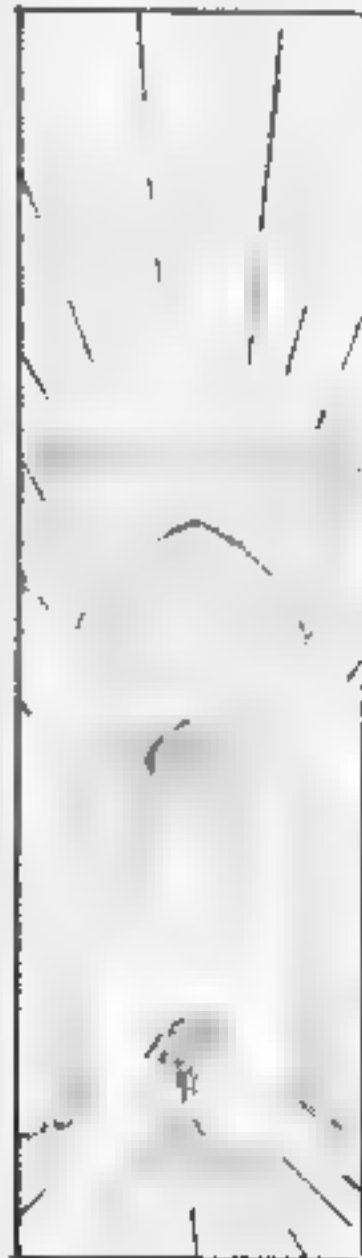

we honor our ancestors.

and they give  
us their wisdom

I have seen it.  
I have heard it.

every moment, every  
gasp every whisper

now it is time for  
them to hear...

ME.
